10 Most Overrated LA Artists

I've been on hiatus from blogging for a while. But this recent article linked to the [Huffington Post](#) today needs attention.

Mat Gleason of Coagula Art Journal

Huffington Post

Posted: August 11, 2010 09:48 PM

The best response to this article came in the comments section from "LG Williams":

...I have a question that I would like for you to address: I have been looking through my old art history books and I see a lot of naked women. But, today, when I look around the galleries I see a lot of women I would like to see naked. What is up with that?

Curious,

LG Williams
