**LG Williams Apology: "I Regret Those Transgressions
With All Of My Art"**

LG Williams has posted an apology to his web site: www.lgwilliams.com. In the statement he says, "I have let my creative generation down and I regret those transgressions with all of my Art." He also rejects rumors that his girlfriend hit or scratched him before his surfing accident: "The stories in particular of a creative meltdown were utterly false and malicious."

In addition, over the past week rumors of multiple creative agendas have trickled out, including the release of racy paintings (ie, Looking To Score) and a performance (Dark Fucking Alley Series) that seems to implicate Williams in artistic indiscretions.
